

# SurFix<sup>™</sup> FEP Safety Data Sheet according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012. Version: G02

**SECTION 1: Identification** 

### 1.1. Product identifier

Use of the substance/mixture

| Product name | : | SurFix™ FEP   |
|--------------|---|---------------|
| Product code | : | Not available |

### Relevant identified uses of the substance or mixture and uses advised against

: High performance, cement-based, trowel applied self-leveling underlayment

#### 1.3. Details of the supplier of the safety data sheet

Penetron Specialty Products Inc. 45 Research Way, Suite 203 East Setauket, New York 11733 - USA T +1 (631) 941-9700 info@penetronsp.com - penetronsp.com

#### 1.4. **Emergency telephone number**

Emergency number

1.2.

: (Chemtrec): US and Canada: 1-800-424-9300; International +1 703-527-3887

### **SECTION 2: Hazards identification**

### 2.1. Classification of the substance or mixture

**GHS-US** classification

Skin Irrit. 2 Eye Dam. 1 Carc. 2 STOT SE 3

### 2.2. Label elements

**GHS-US** labeling Hazard pictograms (GHS-US)

Signal word (GHS-US) Hazard statements (GHS-US)

Precautionary statements (GHS-US)

- Causes skin irritation. Causes serious eye damage. Suspected of causing cancer. May cause respiratory irritation.
- Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Avoid breathing dust/fume/gas/mist/vapors/spray. Wash hands, forearms and face thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear protective gloves/protective clothing/eye protection/face protection. If exposed or concerned: Get medical advice/attention. If on skin: Wash with plenty of water. Take off contaminated clothing and wash it before reuse. If skin irritation occurs: Get medical advice/attention. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell. Store locked up. Store in a well-ventilated place. Keep container tightly closed. Dispose of contents/container in accordance with local/regional/national/international regulations.

### Other hazards 23

No additional information available.

2.4. Unknown acute toxicity (GHS US)

Not applicable.

### **SECTION 3: Composition/Information on ingredients**

3.1. Substance Not applicable.

: Danger

# SurFix<sup>™</sup> FEP

Safety Data Sheet according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012.

### 3.2. Mixture

| Name                        | Product identifier  | %       |
|-----------------------------|---------------------|---------|
| Cement, alumina, chemicals  | (CAS No) 65997-16-2 | 20 - 30 |
| Vinyl acetate               | (CAS No) 108-05-4   | 15 - 25 |
| Cement, portland, chemicals | (CAS No) 65997-15-1 | 10 - 20 |

\* The exact percentage (concentration) of composition has been withheld as a trade secret in accordance with paragraph (i) of §1910.1200.

| 4.1. Description of first aid measure  |  |
|--|--|
| First-aid measures after inhalation  | If breathing is difficult, remove victim to fresh air and keep at rest in a position comfortable for<br>breathing. Call a POISON CENTER or doctor/physician if you feel unwell.  |
| First-aid measures after skin contact  | : In case of contact, immediately flush skin with plenty of water. Remove contaminated clothing and shoes. Wash clothing before reuse. Call a physician if irritation develops and persists.   |
| First-aid measures after eye contact   | <ul> <li>In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. If easy to<br/>do, remove contact lenses, if worn. Get medical attention immediately.</li> </ul>   |
| First-aid measures after ingestion   | If swallowed, do NOT induce vomiting unless directed to do so by medical personnel. Never give<br>anything by mouth to an unconscious person. Get medical advice/attention if you feel unwell.   |
| 4.2. Most important symptoms and   | effects, both acute and delayed  |
| Symptoms/injuries after inhalation   | : May cause respiratory irritation.  |
| Symptoms/injuries after skin contact   | Causes skin irritation. Symptoms may include redness, edema, drying, defatting and cracking of<br>the skin. Skin contact during hydration may slowly develop sufficient heat that may cause severe<br>burns possibly resulting in permanent injury. Do not allow product to harden around any body part<br>or allow continuous, prolonged contact with skin. Handling can cause dry skin.  |
| Symptoms/injuries after eye contact  | : Causes serious eye damage. Symptoms may include discomfort or pain, excess blinking and tear production, with marked redness and swelling of the conjunctiva. May cause burns.   |
| Symptoms/injuries after ingestion  | : May be harmful if swallowed. May cause stomach distress, nausea or vomiting.   |
| 4.3. Indication of any immediate me  | dical attention and special treatment needed   |
| Symptoms may not appear immediately. In ca   | se of accident or if you feel unwell, seek medical advice immediately (show the label or SDS where possible).  |
| SECTION 5: Firefighting measure  | es   |
| 5.1. Extinguishing media   |  |
| Suitable extinguishing media   | : Treat for surrounding material.  |
| Unsuitable extinguishing media   | : None known.  |
| 5.2. Special hazards arising from th   | e substance or mixture   |
| Fire hazard  | : Products of combustion may include, and are not limited to: oxides of carbon.  |
| 5.3. Advice for firefighters   |  |
| Protection during firefighting   | <ul> <li>Keep upwind of fire. Wear full fire fighting turn-out gear (full Bunker gear) and respiratory<br/>protection (SCBA).</li> </ul>   |
|  |  |
| SECTION 6: Accidental release n  | neasures   |
|  | neasures<br>/e equipment and emergency procedures  |
|  |  |
| 6.1. Personal precautions, protectiv   | <ul> <li>re equipment and emergency procedures</li> <li>Use personal protection recommended in Section 8. Isolate the hazard area and deny entry to unnecessary and unprotected personnel.</li> </ul>  |
| 6.1. Personal precautions, protectiv<br>General measures   | <ul> <li>ve equipment and emergency procedures</li> <li>Use personal protection recommended in Section 8. # SurFix<sup>™</sup> FEP

## Safety Data Sheet

according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012.

### 7.2. Conditions for safe storage, including any incompatibilities

Storage conditions

: Keep out of the reach of children. Keep container tightly closed. Keep only in the original container in a cool, well-ventilated place. Keep out of direct sunlight. Keep away from food and drink.

### 7.3. Specific end use(s)

Not available.

## **SECTION 8: Exposure controls/personal protection**

### 8.1. Control parameters

| Cement, alumina,   | chemicals (65997-16-2) |   |
|--------------------|------------------------|---|
| ACGIH              | Not applicable.        |   |
| OSHA               | Not applicable.        |   |
| Vinyl acetate (108 | -05-4)                 |   |
| ACGIH              | ACGIH TWA (ppm)        | 10 ppm  |
| ACGIH              | ACGIH STEL (ppm)       | 15 ppm  |
| OSHA               | Not applicable.        |   |
| Cement, portland,  | chemicals (65997-15-1) |   |
| ACGIH              | ACGIH TWA (mg/m³)      | 1 mg/m <sup>3</sup> (particulate matter containing no asbestos and <1% crystalline silica, respirable fraction) |
| OSHA               | OSHA PEL (TWA) (mg/m³) | 15 mg/m³ (total dust)<br>5 mg/m³ (respirable fraction)  |

| 8.2. Exposure controls           |  |
|----------------------------------|--|
| Appropriate engineering controls | <ul> <li>Use ventilation adequate to keep exposures (airborne levels of dust, fume, vapor, etc.) below<br/>recommended exposure limits.</li> </ul>   |
| Hand protection                  | : Protective gloves made of rubber or PVC.   |
| Eye protection                   | : Wear approved eye protection (properly fitted dust- or splash-proof chemical safety goggles) and face protection (face shield).  |
| Skin and body protection         | : Wear suitable protective clothing.   |
| Respiratory protection           | A NIOSH approved dust mask or filtering facepiece is recommended in poorly ventilated areas or<br>when permissible exposure limits may be exceeded. Respirators should be selected by and used<br>under the direction of a trained health and safety professional following requirements found in<br>OSHA's respirator standard (29 CFR 1910.134) and ANSI's standard for respiratory protection<br>(Z88.2). |
| Environmental exposure controls  | : Maintain levels below Community environmental protection thresholds.   |
| Other information                | : Do not eat, smoke or drink where material is handled, processed or stored. Wash hands carefully before eating or smoking. Handle according to established industrial hygiene and safety practices.   |

## **SECTION 9: Physical and chemical properties**

| 9.1. Information on basic physical and chemical properties |   |                   |  |
|--|---|-------------------|--|
| Physical state   | : | Solid             |  |
| Appearance   | : | Fine powder       |  |
| Color  | : | Gray              |  |
| Odor   | : | Low odor          |  |
| Odor threshold   | : | No data available |  |
| рН   | : | 11 (wet state)    |  |
| Melting point  | : | No data available |  |
| Freezing point   | : | No data available |  |
| Boiling point  | : | No data available |  |
| Flash point  | : | No data available |  |
| Relative evaporation rate (butyl acetate=1)                | : | No data available |  |
| Flammability (solid, gas)                                  | : | Not flammable     |  |
| Explosion limits   | : | No data available |  |
| Explosive properties                                       | : | No data available |  |

# SurFix™ FEP

## Safety Data Sheet

according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012.

| Oxidizing properties                   | : No data available |
|--|---------------------|
| Vapor pressure                         | : No data available |
| Relative density                       | : 1.0               |
| Relative vapor density at 20 °C        | : No data available |
| Solubility                             | : Water: < 0.1 %    |
| Partition coefficient: n-octanol/water | : No data available |
| Auto-ignition temperature              | : No data available |
| Decomposition temperature              | : No data available |
| Viscosity                              | : No data available |
| Viscosity, kinematic                   | : No data available |
| Viscosity, dynamic                     | : No data available |

### 9.2. Other information

No additional information available.

### **SECTION 10: Stability and reactivity**

### 10.1. Reactivity

No dangerous reaction known under conditions of normal use.

### 10.2. Chemical stability

Stable under normal storage conditions.

### 10.3. Possibility of hazardous reactions

When mixed with water, products produce an alkaline solution.

### 10.4. Conditions to avoid

Heat incompatible materials, water/humidity.

### 10.5. Incompatible materials

None known.

## 10.6. Hazardous decomposition products

May include, and are not limited to: oxides of carbon.

## **SECTION 11: Toxicological information**

### 11.1. Information on toxicological effects

Acute toxicity

: Not classified

| SurFix™ FEP  |   |
|--|---|
| LD50 oral rat                                      | > 2000 mg/kg  |
| LD50 dermal rabbit                                 | > 2000 mg/kg  |
| LC50 inhalation rat                                | > 5 mg/l/4h   |
| Vinyl acetate (108-05-4)                           |   |
| LD50 oral rat                                      | 2900 mg/kg  |
| LD50 dermal rabbit                                 | 2335 mg/kg  |
| LC50 inhalation rat                                | 11400 mg/m³/4h  |
| Skin corrosion/irritation                          | : Causes skin irritation.   |
| Serious eye damage/irritation                      | : Causes serious eye damage.  |
| Respiratory or skin sensitization                  | : Based on available data, the classification criteria are not met. |
| Germ cell mutagenicity                             | : Based on available data, the classification criteria are not met. |
| Carcinogenicity                                    | : Suspected of causing cancer.                                      |
| Vinyl acetate (108-05-4)                           |   |
| IARC group   | 2B - Possibly carcinogenic to humans                                |
| Reproductive toxicity                              | : Based on available data, the classification criteria are not met  |
| Specific target organ toxicity (single exposure)   | : May cause respiratory irritation.                                 |
| Specific target organ toxicity (repeated exposure) | : Based on available data, the classification criteria are not met. |
| Aspiration hazard                                  | : Based on available data, the classification criteria are not met. |

## Safety Data Sheet

according to the Hazard Communication Standard (CFR29 1910.1200) HazCom 2012.

| Symptoms/injuries after inhalation   | : May cause respiratory irritation.  |
|--------------------------------------|--|
| Symptoms/injuries after skin contact | : Causes skin irritation. Symptoms may include redness, edema, drying, defatting and cracking of the skin. Skin contact during hydration may slowly develop sufficient heat that may cause severe burns possibly resulting in permanent injury. Do not allow product to harden around any body part or allow continuous, prolonged contact with skin. Handling can cause dry skin. |
| Symptoms/injuries after eye contact  | : Causes serious eye damage. Symptoms may include discomfort or pain, excess blinking and tear production, with marked redness and swelling of the conjunctiva. May cause burns.   |
| Symptoms/injuries after ingestion    | : May be harmful if swallowed. May cause stomach distress, nausea or vomiting.   |
| SECTION 12: Ecological information   |  |

| 12.1. Toxicity                          |  |
|---|--|
| Ecology - general                       | : May cause long-term adverse effects in the aquatic environment.  |
| 12.2. Persistence and degradability     |  |
| SurFix™ FEP                             |  |
| Persistence and degradability           | Not established.   |
| 12.3. Bioaccumulative potential         |  |
| SurFix™ FEP                             |  |
| Bioaccumulative potential               | Not established.   |
| 12.4. Mobility in soil                  |  |
| No additional information available.    |  |
| 12.5. Other adverse effects             |  |
| Effect on the global warming            | : No known ecological damage caused by this product.   |
| SECTION 13: Disposal consideration      | 15   |
| 13.1. Waste treatment methods           |  |
| Waste disposal recommendations          | This material must be disposed of in accordance with all local, state, provincial, and federal<br>regulations. The generation of waste should be avoided or minimized wherever possible. |
| SECTION 14: Transport information       |  |
| 14.1. Department of Transportation (DOT |  |
| In accordance with DOT                  |  |
| Not regulated for transport             |  |
| 14.2. Additional information            |  |
| Other information                       | : No supplementary information available.  |
| Special transport precautions           | : Do not handle until all safety precautions have been read and understood.  |
| SECTION 15: Regulatory information      | ı <u> </u>   |

### 15.1. US Federal regulations

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory.

| Vinyl acetate (108-05-4)   |  |
|--|--|
| Listed on the United States SARA Section 302<br>Subject to reporting requirements of United St |  |
| SARA Section 302 Threshold Planning<br>Quantity (TPQ)  | 1000   |
| SARA Section 313 - Emission Reporting  | 0.1 %  |
| 15.2. US State regulations   |  |
| SurFix™ FEP  |  |
| State or local regulations   | This product does not contain a chemical known to the State of California to cause cancer, |
